MONEY CHEAP. ALSO WHEAT
MAGNIFICENT TARGETS.
MULTIPLY BY 10 AND 3.
DISASTER IN TEXAS.

By Arthur Brisbane
(Copyright 1928 By King Features
Syndicate, Inc.)

MONEY was cheap yesterday.
Only 3 per cent. "on call." But
even that favorite tool of Wall
Street failed to put up stocks. Wheat
was cheap also, barely above a dollar
a bushel, which is bad news for
farmers, and everyone else.

Springs wheat prospects are excel-
lent, export demand is small. As
usual, the farmer finds that when
he has it he cannot get a fair price
for it.

GREAT NAVAL DISPLAY in
New York yesterday. As this is
written, a huge gray battleship is
slowly moving up the narrow East
river, just outside the window, be-
tween Manhattan and Brooklyn.
Hundreds of marines stand rigid,
at the rail, great guns tilted up-
ward, for greater distance.

On either side small tugs
steam along, protecting, like
Boy Scouts accompanying an
old lady.

If war came, that battleship
would need all possible protection.
Bombs from the air, or
torpedoes from submarines,
would sink it before the marines
could put on their life
preservers—if they have any.
Such a ship, with its thou-
sands of men, is a fifty-million
dollar target for an airplane
with a crew of two or three.

AS THE GREAT SHIPS paraded,
140 naval war planes, magnificently
handled, flew overhead, in perfect
formation. Every ship below them
would have been at their mercy in
real war.

And the 140 fighting airships cost
less than one-third the price of one
first class battleship.

Multiply the 140 fighting planes
by 10, multiply the result by three,
and you will not quite equal the air
fleet of France. That fact, as Lord
Beaverbrook has remarked, makes
England polite to France.

It might, at least, make this
country wake up.

NEARLY 100 LOST their lives in
heavy winds in Texas. Jumping 200
miles at a time, from one county to
another, the tornado struck com-
munities far apart.

Private homes were opened gen-
erously everywhere to those injured,
or whose houses had been destroyed.
In Frost the prompt action of two
public school teachers, moving chil-
dren to the open fields, saved the
lives of 75. Intense and unseason-
able hot weather elsewhere might
well account for the erratic and
dangerously powerful winds.

In New York yesterday the tem-
perature at noon was 87 degrees,
breaking all records for May 7.

NEWS FROM BURMA tells of
many deaths by earthquake and
tidal wave. Ancient pagodas were
rocked to destruction. From the
top of one, the Shwe Dagon pagoda,
there fell a huge weather vane of
solid gold, said to be worth \$1,200-
000.

Many devout Burmans,
doubtless asked themselves
what particular god had be-
come annoyed, just what he could
annoyed him, and how he could
be placated.

IN VERY ANCIENT TIMES hu-
man sacrifices might have been of-
fered, in the belief that the right
god would accept them, and the
victims, before having their throats
cut, would be ordered to take hum-
ble messages of propitiation to the
higher regions.

Educated Burmans know that it
was only this old earth, trying to
settle down into permanent shape.
That process will continue for
thousands of centuries.

MODERN BOOTLEG-GANGS-
TER crime is viciously cruel.

In Chicago a man "taken for a
ride" is found in a ditch, many
bullets in his body, marks on his
throat, showing that he had been
checked, and most horrible, his eye-
balls gouged out.

Police think this was a warning
to others in disfavor.

Perry Lodge Accepts Sebring's Invitation

Perry lodge No. 185, F. & A. M.,
in session Wednesday evening at
Masonic temple, accepted an invita-
tion from the Sebring lodge to
confer the master Mason degree
there on May 23.

The lodge will hold a special
meeting on May 16, to put on work
in the entered apprentice degree.

Brewery Located; Owner Drops Dead

DETROIT, May 8.—Frank Lelo,
43, protested to police, raiding
squad last night that there was no
reason for their visit to his home.
He was talking to Sergeant Wal-
ter Storch as a patrolman came up
from the basement with the an-
nouncement that he had found a
home brewery there.
Lelo dropped dead.

HOOVER AGAIN CONFRONTED BY DIFFICULT TASK

Rejection Of Parker By
Senate Brings Real
Problem Up

OHIOAN RUMORED
AMONG CHOICES

Parker Urged To Run In
Senatorial Race
By Adherents

(By The Associated Press)
WASHINGTON, May 8.—A White
House statement on the senate
rejection of Judge John J. Parker
as a member of the supreme court
was expected today as President
Hoover again took up the task of
filling a vacancy on the nation's
highest tribunal.

Speculation was rife as to whom
the chief executive might tender
the office and three names were
prominently mentioned. They were
those of Chief Justice Fenton
Whitlock Booth of the court of
claims, an Illinois Republican; New-
ton D. Baker, President Wilson's
secretary of war and John W.
Davis, the Democratic presidential
nominee of 1924.

The senate's action in defeating
the Parker nomination left three
courses open to the president. He
could re-submit Judge Parker's
name, wait until the adjournment
of congress and give the North
Carolina jurist a recess appoint-
ment, or seek a new appointee.

May Make Selection
The impression prevailed among
those who have discussed the sit-
uation with the president that he
had decided upon the last.

By a vote of 41 to 19, the senate
in mid-afternoon yesterday turned
down the Parker nomination after
10 days of debate, in which the
charges of labor and Negro orga-
nizations that Parker was prejudiced
against the working men and the
Negro race had a prominent part.

The discussion also brought forth
an allegation that friends of
Parker had sought to obtain votes
for him by offering federal judi-
cialships to some members of the sen-
ate opposed to the nomination.

Soon after the vote, Senator Allen
of Kansas, who supported Parker

talk, "High Lights on Ohio's His-
tory," C. A. White; piano solo, Mar-
jorie Thompson; readings, Mrs.
Lindemuth; playlet, "Taking the
Census"; readings, Lucille Ken-
nedy.

Perry grange will take the gavel
to Willow Grove grange May 16,
and give the program.

Columbiana county Pomona
grange will be held Saturday, May
17, at Midway grange hall.

PEN COMMISSION MEETING TODAY

Expected to Outline Definite Plan
Of Procedure at Meeting In
Ohio Capital City

COLUMBUS, May 8.—Gov. Myers
Y. Cooper's welfare commission
appointed following the Ohio peni-
tentiary fire disaster to formulate
an institutional building program
was expected to outline a definite
plan of procedure at its second
meeting here today.

None of the members, except
Harry McLaughlin, Cleveland, has
indicated what recommendations
the commission will make to the
governor. McLaughlin said in an
address at Cleveland last night that
the body would suggest an approxi-
mation of \$75,000,000 by the next
legislature for replacement and
modernization of the state institu-
tions.

Gov. Cooper, however, said the
commission had not agreed upon a
plan of action.

CENSUS RETURNS

FINDLAY, O., 18667, an increase
of 1946 or 10 per cent.
BUCYRUS, O., 9242, a decrease
of 483 or 5 per cent.
KENTON, O., 7066, a decrease of
624 or 8 per cent.

Seeks Office

WILLIAM A. ALBRIGHT, for
the last eight years a resident
of Lisbon, has announced his can-
didacy for county recorder on the
Republican ticket at the August
primary election. He was a member
of the board of trustees of Center
township for some years until Jan.
1 last. Albright was born on a farm,
and has been active in the Republi-
can party for over 20 years.

NAVAL HEARINGS SET FOR MONDAY

Stimson Will Tell Group
In Senate Of
Fact And Formation

WASHINGTON, May 8.—The sen-
ate foreign relations committee
will begin its hearings on the Lon-
don naval treaty next Monday with
Secretary Stimson, chief delegate
to the recent conference, explaining
its provisions and the events lead-
ing to the agreement.

On the following day, the senate
naval committee plans to institute
hearings intended to ascertain the
views of ranking officials of the
navy department on the big-cruiser
clauses of the pact.

The naval committee plans to
call Secretary Adams who was a
member of the delegation, as its
first witness. It is possible, how-
ever, that he will be unable to
appear on Tuesday as he may be
summoned before the foreign rela-
tions committee at that time.

Chairman Hale believes that the
treaty involves a disregard of the
American policy of building up the
fleet of 10,000-ton 8-inch-gun
cruisers. Congress has authorized
the construction of 23 vessels of
this type, whereas the pact would
limit the United States to eighteen.

The house appropriation commit-
tee late yesterday struck from its
report on the \$377,036,600 naval
appropriations bill statements pre-
dicting economies to be achieved as
a result of the treaty. For passage
praising the work of the American
delegates and estimating future
savings; it substituted a statement
that "the committee did not under-
take to pass upon possibilities that
might flow therefrom in such a way
as to indicate commitments."

Alarm Foils Sixth Burglary Attempt

MOUNT CLEMENS, MICH.,
May 8.—The score in the excit-
ing contest between Ferdinand
Blank's home-made burglar
alarm and the robbers of these
parts now stands at six to nothing
in favor of the burglar alarm.

Burglars made their sixth at-
tempt to rob Ferdinand's filling
station here. It ended in com-
plete rout burglars galloping
down the street, to the accom-
paniment of ringing bells, shriek-
ing sirens, flashing lights and
police whistles. They got away
but they did not rob the sta-
tion.

RELIEF WORK IN STRICKEN AREAS SHOWS PROGRESS

Red Cross In Charge Of
Caring For Homeless
Of Texas Towns

(By The Associated Press)
DALLAS, May 8.—Immediate re-
lief measures undertaken by the
Red Cross the American Legion and
citizens of the state today were be-
ing rushed to the aid of the des-
titute and homeless persons by the
score in central and south Texas
communities devastated Tuesday by
tornadoes.

The Red Cross last night appealed
for \$150,000 in Texas for the work
and asked for gifts of clothes and
food.

Funeral services were planned
today for most of the 70 victims
and more than 100 injured persons
were being cared for in hospitals.

In Frost, Havas county, where
22 out of 800 inhabitants lost their
lives and virtually the entire town
was demolished, the cemetery was
in the path of the twister and shat-
tered tombstones had to be cleared
away before graves could be pre-
pared for the burial of storm vic-
tims.

Lead Relief Work
Citizens of Corsicana, nearby,
were leading in relief work and were
assisting Frost citizens in erecting
temporary business buildings and
repairing the town's water system.

Dallas county's Red Cross has
supplied 100 coats to persons at Frost
made homeless by the storm.

Citizens of San Antonio, Cuero,
Nordheim, Runge, Yorktown and
Kennedy and all over the south
Texas were gathering relief forces
for 40 to 50 families left homeless
near Nordheim and Runge, in
Karnes county, where the Tornado
Tuesday killed 30 persons and in-
jured more than 20.

The death list has mounted slowly
by as additional victims succumbed
to their injuries.

In north central Texas, near
Waco and Hillsboro, similar relief
measures were being undertaken.
The death toll there having mounted
to 13 near Hillsboro and 23 injured
persons were in a Hillsboro hos-
pital.

SALEM HI BAND LEADS PARADE

County School Children
To Meet In Lisbon
For Event

Between 200 and 400 school chil-
dren from Columbiana, Fairfield
township centralized, Letonia,
Washingtonville, Salineville and
Lisbon schools will take part in a
blue ribbon health parade and
Maypole dance on the lawn of the
McKinley school, West Chestnut st.,
Friday afternoon. The parade will
be headed by the Salem high school
band.

After the Maypole dance the chil-
dren will then march to the Lisbon
opera house where the management
will screen a health and a comic
film. To children will be addressed
by the Rev. J. M. Cotton of the Lis-
bon Presbyterian church.

The event is being sponsored by
the Kivania clubs of Letonia, Sa-
lineville and Lisbon and the Ro-
tary club of Columbiana, cooperat-
ing with the county board of
health. Dr. T. T. Church, county
health commissioner, will be as-
sisted by teachers from schools en-
tering the blue ribbon contest.

Cemetery Trustees Named In Meeting

Five trustees were elected at a
meeting of the Hops cemetery as-
sociation Wednesday evening at the
citizens' savings bank.

They include: W. H. Matthews,
Howard Smith, Elizabeth Votaw,
Bessie Cook, Mame McCarthy. They
are elected for a term of three
years.

The trustees will meet next Wed-
nesday evening at the bank to elect
officers.

Sentenced For Life

CINCINNATI, May 8.—Leroy
Hahn, Newtown, was sentenced to
life in the Ohio penitentiary fol-
lowing conviction of slaying Forest
Easton, whose body was found in a
creek near Newtown.

Named Priestess

COLUMBUS, May 8.—Mrs. Jean
Haines Terry, Aurora, Ill., was
elected supreme worthy high priest-
ess of the white shrine of Jerusalem
at this year's convention held here.

Mother Murders Seven Children

SHOWN with her 10 children, seven of whom she
shot to death before attempting to kill herself,
Mrs. Ethel Yelden, of Columbus, O., posed for this
picture a few hours before she tried to annihilate her
family. The picture is one of the preparations the
poverty-stricken Mrs. Yelden made in planning death
of herself and children. Photo shows, back row, left
to right: Mildred, Eldon, Earven. Front row: Byron,
Eleanor, Allen, Mrs. Yelden, who is expected to re-
cover, Alice, Elaine, Vernon and Wanda. Only Mil-
dred, Earven and Vernon escaped death.

Police authorities said murder charges would be
placed as soon as the woman is released from the
hospital where she is suffering from a bullet wound
from having tried suicide after taking the lives of her
children.

East Palestine Industrial Plant Damaged By Blaze

EAST PALESTINE, May 8.—Fire,
which caused approximately \$10,000
damage, destroyed a frame building
and much machinery at the plant
of the Adamson Manufacturing
company here Wednesday. The
blaze, for a time, threatened the
entire plant.

One hundred men were thrown

out of regular employment, but
many will be used in reconstruction
work which has started.

Cecil Adamson, owner of the
plant, carried no insurance.
The loss of the building is not
large, according to reports, the
principal damage being to machin-
ery and equipment.

CHINAWARE ON DISPLAY HERE

Salem Pottery Products
Exhibited At First
National Bank

New patterns in chinaware are
featured in a display of products of
the Salem China company in the
lobby of the First National bank
here. The products will be exhibi-
ted for two weeks.

Included in the display is a "pink
chateau" pattern, reproduced from
the style of dinnerware popular
during the Victorian period. An
entirely new shape of ware has
been modeled, the design being origi-
nal with the Salem concern.

The design for each piece of ware
is hand engraved and is manufac-
tured in a manner similar to the
processes used in making of engrav-
ed stationery. The design is en-
graved on a copper cylinder and
then transferred to paper and from
the paper it is transferred to the
ware. Application of the pattern
before the dishes are glazed places
the design beneath the glaze and
insures permanency.

Another feature of the display is
the newly originated "orchid-tone"
ware, the body of which is colored
a light pink shade.

The ware is placed on exhibi-
tion in cabinets and show cases
manufactured at the Stephen C.
Jesup Pattern works here.

SLEEPING MEN VICTIMS WHEN MISHAP OCCURS

Cause Of Gun Firing Not
Known At Present; To
Have Investigation

PRISONERS SET FIRE TO TENTS

Must Sleep In Open As
New Ones Are Not
Forthcoming

(By The Associated Press)
COLUMBUS, May 8.—Two sleep-
ing Ohio penitentiary convicts were
killed by machine gun bullets today
when the weapon, mounted in the
prison yard after last night's stock-
ade fire, was accidentally dis-
charged by Ohio national guards-
men.

The victims were asleep in the E
and F dormitory when the bullets
passed through a barred window.
They were struck in the head and
died almost instantly.

The dead were believed to be
James W. Ross, 40, Cuyahoga coun-
ty, and Albert Freeman, Negro,
Cuyahoga county. Ross, admitted
to the penitentiary in 1925, was
serving ten to 15 years for burglary
and larceny. Freeman, admitted the
same year, was serving 10 to 20
years for manslaughter. Identifica-
tion was not certain, guardsmen
pointing out that all members in
the prison had been confused since
the disastrous Easter Monday fire
when 320 convicts, locked in their
cells, were killed by fire and smoke.

Third Man Wounded
A third convict was wounded. A
bullet creased the side of Ernest
Warren, Cuyahoga county, also a
resident of the dormitory, he was
serving two to 20 years for cutting
to wound Warren, who has served
time in a half dozen prisons, will
recover, prison hospital doctors
said.

Colonel Robert S. Haubrich,
ranking guard officer at the prison,
reported that the shooting occurred
about 6 a. m., eastern standard
time. The guard that following last
night's fire in the stockade, when
about 400 unruly prisoners fired 88

USE OF PHONES GENERAL HERE

Nearly Three Thousand In
City; Subscriber List
Shows Growth

A compilation of world, national
and local telephone statistics, is-
sued annually by the Bell system,
has just been received by H. M.
Huffman, commercial manager for
the Ohio Bell Telephone company.
There are now nearly 1,221,000
telephones in Ohio. Of this num-
ber, 342,600 are operated by com-
panies which are not Bell-owned,
but connect with the Bell long dis-
tance lines; 157,800 are operated by
the Cincinnati and Suburban Bell
Telephone company, and 720,500
are operated by the Ohio Bell.

The Ohio Bell total includes 2819
telephones in Salem, according to
Mr. Huffman.

Manager Huffman said that the
latest telephone census shows a
total of 32,712,394 telephones in the
entire world on Jan. 1, 1929. Of
these, 19,341,296, or 59 per cent, were
in the United States. On the same
day Europe had 9,236,685 telephones
which is less than one-half the
number in the United States and
28 per cent of the world's total.

The remaining 13 per cent of tele-
phones were distributed widely
throughout the rest of the world.
During 1929 the number of tele-
phones in the world increased by
1,726,908, about one-half of this in-
crease resulting from telephone de-
velopment in the United States
alone.

GOLD STAR MOTHERS

The scars of war heal quickly. Nature long since has freshened the battlefields of France with new life and left only to memory the unearthy spectacles which were enacted on their grisly surfaces. The warring nations have preoccupied themselves with the duties of restoration and tried to forget the hard toll of war.

Certain heroic mothers can never forget. The significance of the Gold Star banner—symbol of sacrifice which they displayed when the dreaded word came that their boy had fallen—is part of their very being. They have borne their sorrow bravely knowing that their neighbors and their country would not forget what war meant to them. Thousands of miles away their sons lie in a foreign land—priceless, irreplaceable payments to the wrath of Mars.

Their neighbors and their country have not forgotten. Today the vanguard of a mighty pilgrimage of Gold Star mothers will sail to Europe, there to visit the graves of their sons. It is a pitifully scant solace, but understanding of the motives behind it makes it a faultless tribute to the bravery and generosity of American motherhood.

The tears that Gold Star mothers will shed on French soil will not be bitter tears demanding vengeance. They will be soft and kindly, pleading that never in the future will other mothers have to suffer in like degree.

Thus far has the world progressed toward peace.

The two young women who shot and killed a man in Scottsboro, Alabama, against whom they did not have any grievance, but mistook for another man, have been sentenced to prison for life. There "oughta be a law" to compel young women who go gunning for men to identify their intended victims before killing them.

VARIATIONS OF HUMBUGGERY

The "old master" canvas factory discovered in Paris the other day was a colorful mixture of clever hum-buggery and mass production. Imitations of the masters have been attempted and done satisfactorily before, but American principles of manufacturing never had been applied. Naturally, they brought results and to the infinite sorrow of their most enthusiastic advocates, if it may be believed that Americans were the only ones to take the hook.

It is one fraud almost enjoyable by virtue of its circumstances. Those who were taken in are not "poor widows and orphans," but men and women of means, often as not holding inordinate pride in their now "phony" possessions. Furthermore, there will be no senatorial investigation of this affair—no fixing of the flame. The French police, of course, will have their inning but there really isn't much that can be done other than the administration of certain measures of justice to Jean Charles Millet, the boss of the two-man factory. It is, perhaps, not impertinent to suppose that since most of the ill-gotten gains have remained in France there will be a corresponding softening of official wrath.

One cannot but wonder what will become of the erstwhile masterpieces. Only yesterday they were considered good enough by collectors to be enjoyable. It is even possible that rank amateurs enjoyed them for their own worth, irrespective of signatures. They are fully as good today as they were yesterday, lacking only that intangible value which a genuine signature gives. There will be a hectic unscrambling, a frenzied business of sorting them out and no one ever can be sure he has not demoted the wrong one. There will be some

collectors, no doubt, who respecting their ill-advised investments, will keep their "treasures." Others will attempt to perpetrate the fraud on future buyers. Most delightful of all is the prospect that the parlor walls along Main street will get some of the 3,000 imitations reported to be in the United States. A delightful variation of humbuggery indeed.

The Tribunal of the Seine holds that a French wife must obey her husband so long as she remains in France, no matter in what land she may have married him. A decision like that wouldn't do much less than start a riot over here.

What Others Say

WAIVING TRIAL BY JURY

In a case resulting from a prosecution under federal prohibition, just decided by the United States supreme court, a question of importance in the administration of criminal law has been settled in conformity with reason and sound public policy. The issue was whether defendant had the right to waive trial by a constitutional jury of 12 persons, or by any jury whatever. For many years learned judges have disagreed on this subject.

The supreme court holds that, while the right to trial by a common-law jury is vital and worthy of careful preservation, it is a right which the defendant himself may waive after full consideration of the matter by his counsel and with the deliberate sanction of the presiding judge.

Clearly it would be unreasonable to contend that no circumstances might a defendant surrender freely and deliberately a right designed to protect him and adopt instead a course deemed preferable by himself and his advisers.

The decision, of course, applies to federal cases only. Still, what is true of the federal constitution should be the true of state provisions relating to trial by jury. The legislatures of the several states doubtless possess the power to authorize defendants to waive trial by jury and submit to the decision of the court alone. Some states have enacted such laws, and thousands of defendants have preferred trial by the court to trial by jury, with the result that criminal courts in those states have been able to dispose of all cases promptly, so that congestion of dockets is unknown there.

Illinois urgently needs a new law providing for waiver of trial by jury in criminal cases which do not involve the possibility of capital punishment. The Chicago crime commission advocates the reform. The legislature should respond favorably to the need of this rational method of promoting speedy justice.—Chicago News.

HEALTH
By Dr. Royal S. Copeland

IMPORTANCE OF HEALTH

Good nature is founded on good health. That snappy, disagreeable attitude you have on Monday, isn't you. It is the effect of the disturbed stomach resulting from overeating on Sunday.

I heard a retort once from a man who had been bitterly attacked by a fellow legislator. In quick time this man said, "I wish I had indigestion so that I might frame a fitting reply."

There can be no doubt, I am sure, that most of the unkind, bitter and disagreeable things said in this world are flavored and spiced by the poisons of temporary ill health. Hunger, fatigue, bad air, physical discomfort from any cause—all these are among the factors that regulate thinking.

Disease is not a personal matter. If it were, there would be less reason to blame the negligent person. His habits of overeating, late hours, unnecessary exposure, even carousing, might be looked upon with contempt, but since they affected nobody else that would be the end of it.

But physical discomfort and ill health are not strictly personal matters. Their effect upon the mind, producing bitterness and unkindness, is something that does harm to everybody who comes in contact with the sufferer.

The mother or wife, all the members of the family, indeed, are given extra work by illness in the household. The sacrifices made are proper ones if illness comes in the ordinary way, but when such sacrifices must be made because of selfishness, it is another thing.

When we come to consider the causes for ill health, we will be more impatient about it. It is not for us to "go our own way," as if nobody else were to pay for our misdeeds.

The lowered resistance which comes from wrong living paves the way for infection. Many a case of tuberculosis, pneumonia and influenza can be traced to neglect. Think of the troops of trouble that follow such an infection.

I am speaking this way today for one reason only. I want to impress upon every reader the importance of health as a factor in the public and family welfare. Sickness can never be personal. Its gloom falls on everybody in the victim's circle of social contacts.

If you are indifferent to your own welfare, you cannot be indifferent to those about you. For their sake, if not for your own, you will be careful of your health.

Zerobla B. C. Q.—How many eggs a day should I eat?

A.—One egg a day should be sufficient.

A Reader. Q.—What would you advise for piles?

A.—Piles are usually due to chronic constipation. This condition must be overcome. Have your meals at regular hours. Avoid foods unduly rich in fats and starches. For further particulars send a self-addressed stamped envelope.

Mrs. L. K. Q.—What is a trench mouth?

A.—A trench mouth is an infectious disease of the mouth and may follow some acute infectious disease. Anyone suffering with this disease should be under the care of his doctor.

Jack D. Q.—What should a young man of 22, 5 ft. 4 inches tall, weigh?

A.—Is there any means by which the height can be increased?

A.—He should weigh about 130 pounds.

2.—No.

Answers to Health Queries

J. R. M. Q.—What causes a blister under the tongue?

A.—This may be due to hyperacidity, caused by faulty diet and poor elimination.

A Constant Reader. Q.—Is diabetes dangerous?

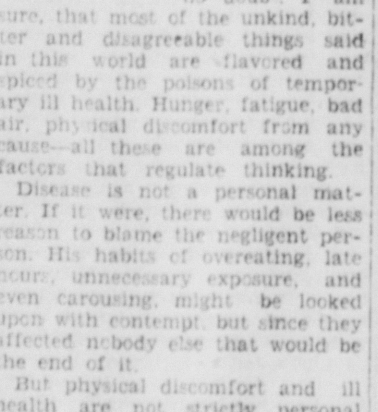

2.—Is it contagious?

A.—Not if patient is properly cared for.

2.—No.

C. K. S. Q.—What do you advise for calloused feet?

A.—Before retiring soak the feet in warm water and apply warm linseed oil. Next morning soak the feet again and scrape away the dead tissue.

The Stars Say
For Friday, May 9

Although this is presaged as an active day it may not be considered a favorable one for the smoothing of frictions, the progress of the affairs in hand. There is menace of friction, quarrels, litigation, enmity or probably personal accidents or disaster, unless unusual calm and circumspection be exercised. Impetuosity, rashness and sudden activities or changes might prove hazardous. In any event there may be setback and disappointment, although personal matters are under happy rule and business, well-directed, may bring future benefits.

Those whose birthday it is are on the threshold of a very lively and exciting year, but one calling for calmness and wise management if good results are to be attained. There is danger through tumult, impetuosity, strife, litigation and accident, and also there may be obstacles and postponements. Personal affairs should prove happy and compensatory. A child born on this day should have many fine social and cultural qualities, but should be well disciplined and educated in self-control and responsibility for its actions.

SUPERINTENDENT NAMED BY BOARD AT COLUMBIANA

Cadiz, O., Man Will Be At Head Of Schools Next Year

TEACHERS ELECTED DURING MEETING

Commencement Plans Are Completed; 36 Will Be Graduated

COLUMBIANA, May 8.—At the meeting of the Columbiana board of education the hiring of a new superintendent of schools and the majority of the teachers filled the greater part of the evening.

Over 40 applications for the position of superintendent had been received and the most favorable applicants had received considerable investigation on the part of the members of the board of education.

C. E. Bender, superintendent of the Cadiz, O., schools for the past three years, has accepted a one-year contract here, beginning August 1st.

Bender has had 24 years of teaching and administrative experience in Pennsylvania, Maryland and Ohio and was recently re-hired at his present location. He holds his master's degree from Bluffton college and has post-graduate credits from the University of Chicago and the University of Akron.

He is a life member of the National Education association and of the National Social Science Honor society; president of the Harrison County Teacher association; a member of the Cadiz Kiwanis club and the Presbyterian church and teacher of the Men's Bible class. Mrs. Bender is a graduate from Highland Hall girls school, Hollidaysburg, Pa. and holds a B. E. degree from the University of Akron.

Will Move Here

They have two sons, both of school age.

Mr. Bender takes an active interest in the life of the community and is known as an excellent speaker. The Benders expect to move here during the summer if they can find a suitable home.

The following present grade school teachers, who have applied for next year, were re-hired: Misses Nellie Koch, Sara Wilson, Mildred Nowell, Sparkle Lautzenheiser, Doris Walker, Lois Rother, Alberta Windle, Virginia Shively, Betsy Switzer and Willa Carpenter. All the high school faculty who applied, were also re-hired, as follows: Principal Edgar P. Miller, John C. Barton, and the Misses Garnet Gooch, Ethel Lotze, Helen Parsons and Mary Marquis.

The latter will coach the girls basketball team next season. Miss Gertrude M. Rose, music supervisor, was also re-hired. Waldo Ward of East Palestine, who will graduate next month from Geneva College, was hired to teach in the Seventh and Eighth Grade departmental work and will also serve as assistant coach of athletics. Mr. Ward, who is a brother of William Ward, former East Palestine high school coach, is the captain of the Geneva college track team, and is a star in the broad jump.

He also holds the Columbiana county high school record in that event. He was captain of the East Palestine high school basketball team in his senior year, and also played football.

Arrange Commencement

The following arrangements for commencement have been announced: The baccalaureate sermon for the graduates will be preached Sunday evening, May 25th by Rev. E. F. West in Grace Reformed church, the arrangements having been made by the local Ministerial association.

The commencement exercises for both high school and eighth grade graduates will be held Thursday evening, May 29th in the high school auditorium, with Judge Carl V. Weygant of the Common Pleas Court of Cleveland, as the speaker. Following is the list of members of the senior class, 36 in number:—Andy Andrich, Frank Baker, Ruth Beard, Don Brinker, Lyman Conkle, Ruth Crum, Hubert Clapp, Helen Detweiler, Pauline Dickey, Elmer Early, Lawrence Frankford, Lucille Funkhouser, Clyde Harrold, George Hart, Arthur Heald, Thelma Huff, Esther Lower, Willard Hoffman, William Keller, Wilma Knopp, Roy Leonard, Alice Lodge, Eleanor Lehman, Robert Maurer, Naomi McConahy, David Nichols, Ruth Smith, Frances Seederly, Catherine Tullis, Charles Winesford, Evelyn Wining, Floyd Wonseller, Gaylord Zellers, and Philip Zellers.

TURKEYFOOT OIL LEASE VALID, IN SUPREME COURT

Cooper's Action Causes Case To Go Into High Tribunal

(By The Associated Press)

COLUMBUS, May 8.—Refusal of the governor to recognize his signature to a lease on state land because it was affixed by his executive secretary does not invalidate such a lease, according to a ruling by the state supreme court.

The lease in question was given to Harry Cope, Columbus, oil and gas rights at Turkeyfoot in Summit county. Cope filed suit questioning the legality of Governor Myers V. Cooper's repudiation of the lease on the ground that he did not in fact sign it.

While the governor need not recognize the signature as his own, the court held, he can not repudiate the lease unless he establishes in court that he did not actually approve it. Under the decision, the director of public works must answer the suit and prove that the lease was invalid or admit its legality.

In a case from Stark county, the court decided to hear the appeal of Albert Davidson from a lower court ruling awarding Jackie Flowers \$3,000 for injuries suffered when Davidson's gun discharged accidentally while the two were hunting.

Konjola Puts End To Agony Neuritis Gave

This Lady Suffered More Than Six Years With Dread Ailment—Praises New Medicine

MRS. JOSIE ANKRUM

"I never shall fear neuritis again, thanks to this new medicine Konjola," said Mrs. Josie Ankrum, 44, Prescott street, Columbus. "I was a victim of neuritis for over six years. The pains in my back and limbs were frightful, and I could find no relief in the medicines I tried. There were days at a time that I was unable to work. My nerves were so ragged and jumpy that sleep was often out of the question, and my general health suffered. I became subject to frequent dizzy spells and had about given up hope of ever seeing another well day."

"My attention was finally attracted to Konjola. It is amazing what this splendid medicine did for me. After I had finished the fifth bottle, every pain and ache had left me, and neuritis was only an unpleasant memory. Today I feel better than I have for years. My appetite has improved and my general health has been restored. Unhesitatingly I endorse Konjola in the hope that other sufferers will be led to use it."

Konjola is not a "cure-all"—there is no such thing, but when taken for from six to eight weeks will produce amazing results. The countless thousands of endorsements of Konjola have proven that it makes good. Konjola is sold in Salem, Ohio, at The J. H. Lease Drug Co., Three Stores, and by all the best druggists in all the towns throughout this entire section.—Adv.

AUTO CRASHES, TWO ARE DEAD

Pittsburgh Man, Wife Die As Machine Goes Into River

WILMINGTON, N. C., May 8.—The bodies of Jack V. Hurd, Pittsburgh steel magnate and sportsman, and Mrs. Hurd, killed in an automobile wreck here last night, today were being held in a Wilmington morgue awaiting arrival of Mr. Hurd's brother, N. S. Hurd, from Pinehurst.

The accident occurred near a bridge in the northern part of the city. The Hurd's were enroute from their winter home at Pinehurst to visit Mr. and Mrs. C. M. Phillips, of Wilmington, when their automobile left the road at a curve near a bridge and plunged into a creek. There were no witnesses to the accident, but two small boys heard

the crash and ran to the scene. The automobile was submerged in 14 feet of water. The bodies were discovered floating by some logs near the bridge.

Physicians who examined the bodies which were badly crushed expressed the opinion that the two were killed outright in the crash, instead of being drowned. The automobile was an open model.

Hurd was the former husband of Dorothy Campbell Hurd, one-time woman golf champion of the United States, Great Britain and Canada. Hurd also was prominent in Pittsburgh club circles. His second wife was Mrs. Caroline McCord Butterfield, a native of Columbus, O., who resided in New York and Pinehurst.

Hurd and Mrs. Butterfield were married in 1927.

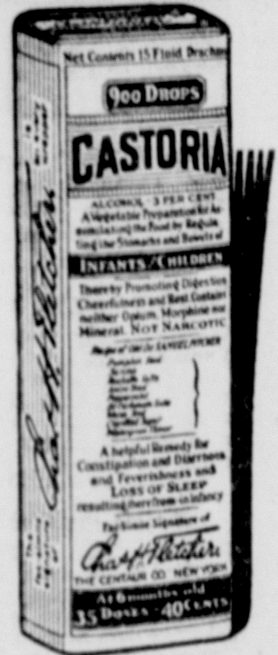

A divorce from Dorothy Campbell Hurd was recommended for Hurd in 1923.

When BABIES are upset

Baby ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea—a condition it is always important to check quickly. How would you meet this emergency—tonight? Have you a bottle of Castoria ready? There is nothing that can take the place of this harmless but effective remedy for children; nothing that acts quite the same, or has quite the same comforting effect on them.

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. Its gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria; the genuine bears Chas. H. Fletcher's signature on the wrapper.

Members of the A. O. N. club of Lisbon, had a dinner Wednesday evening at the Schaffer Green room.

Later the members went to the home of Mrs. H. H. Hickling, North Ellsworth ave., to play bridge. Miss Martha Billingsley, of Lisbon, carried off high score honors.

MISS ORR HOSTESS

Miss Grace P. Orr, South Lincoln ave., delightfully entertained a group of friends at dinner Monday evening at Foster's in Han-overton.

The condition of Frank Coy, who suffered a stroke and is in the Central Clinic hospital, was reported Thursday to be about the same.

Mrs. Ida McNutt, South Lincoln ave, has returned from Pittsburgh, where she spent the week end with relatives.

Miss Martha Wire, who is ill in the Central Clinic hospital, is reported to be improved.

Simple Remedy For Bad Stomach Gives Swift Relief

No Need of Strong Medicines or Diet. Safe and Simple Home Recipe Keeps Stomach in Fine Condition

If you are a victim of Stomach Troubles—Gas, Sourness, Pain or Bloating—you may have quick and certain relief by following this simple advice.

Don't take strong medicines, artificial digestants or pull down your system with starvation diets. For within reason most folks may eat what they like if they will keep their stomach free from souring acids that hinder or paralyze the work of digestion.

And the best and easiest way to do this is to follow every meal with a little Bisurated Magnesia—a pleasant, harmless, inexpensive, and handy to use preparation that all reliable druggists can supply in either powder or tablet form. Its use promptly neutralizes acidity and keeps your stomach sweet and clean.

A week's trial of Bisurated Magnesia should quickly convince you that 90 per cent of ordinary stomach distress is absolutely unnecessary. Be sure to get Bisurated Magnesia and give it a good trial. Adv.

CHRISTIAN RECEPTION

Over 200 people attended the reception at the Christian church Wednesday evening given for the new members received at the eucharistic services preceding Easter.

There were 44 new members received into the church and about 35 of them were at the reception. Rev. C. F. Evans, the pastor, gave the welcome.

Speakers on this occasion were Rev. H. L. Miller, Fort Wayne, Ind., former pastor of the church; Dr. E. I. Osgood, of Hiram, returned missionary from China, and Rev. Gaines Cook of Cleveland.

Vocal selections were contributed by J. William Wilson, Arnold Lutes and Mrs. Cora Schwartz of Salem, and Mrs. James Briggs of Canton, formerly of Salem, entertained with whistling solos.

Refreshments were served at the social period. Mrs. Cook and two children accompanied Rev. Cook here.

HONORS SON

Mrs. Ed. T. Shuck entertained the boys from the first grade at Reilly school Tuesday afternoon at her home, Washington ave., to celebrate the seventh birthday anniversary of her son, Robert.

The time was spent playing games and refreshments were served by Mrs. Shuck, Gail Eckstein, and Robert Lee Boone received prizes in one of the games and paper hats which were given as favors furnished entertainment. Robert received many birthday gifts.

MARRIAGE LICENSE

A marriage license has been issued to Harold M. Kennedy of Youngstown, a bookkeeper, formerly residing at Derry, Pa., and Miss Beattie L. Rogers of Columbiana, and daughter of Mr. and Mrs. John H. Rogers. They are to be married by the Rev. Solter at Youngstown.

8TH MILESTONE

Children and grandchildren of Mrs. Maria Kerns, of Winona, gathered at her home to celebrate her 88th birthday anniversary. The party was a surprise for her. The hours were spent informally. Refreshments were served by the guests. Among the guests was Mrs. Lila Kerns of Lisbon.

Visit At White House

They declined to reveal what had occurred in the course of their discussion with the president, but it was intimated that Mr. Hoover was preparing a statement for publication today.

A President William Green of the American Federation of Labor last night termed the senate's action "a victory for justice, righteousness and human rights."

"Labor is inexpressibly grateful to those staunch defenders of human rights in the United States senate who voted against the confirmation of Judge Parker," he said.

A dispatch from Raleigh, North Carolina, late last night said that a movement has begun to persuade Judge Parker to become a candidate for the senate in the elections

Detectives Kill Man Barricaded In House

TOLEDO, May 8.—Claude Allen, 32, Mt. Pleasant, Tenn., was shot and killed by a squad of detectives in a house, two miles from the city limits here early today.

The place is believed to have been the headquarters of a bandit gang which has held up stores in Michigan and also is suspected in interstate shipment thefts. Two rooms in the house were filled with merchandise, which police identified as stolen in Michigan and from box cars.

The shooting followed a three day watch at the house, maintained in hope that the gang would return.

Murderers Must Pay With Lives In Chair

CHICAGO, May 8.—August Vogel, the "whim slayer" and William Lenhardt, young Cleveland gunman both convicted of murder will be electrocuted early tomorrow, unless final attempts to save their lives are successful.

Counsel for both planned today to seek writs of superseas from Supreme Court Justice Frederick De Young to halt the executions, pending appeals.

Vogel, a drug store clerk, shot and killed Lyle Perenoud last fall in an argument following a traffic accident. Lenhardt was convicted of fatally shooting Milton Vasilopoulos, a restaurant owner, in a hold-up in June, 1929.

Power Ruling

COLUMBUS, May 8.—The public utilities commission yesterday held that a power company which provides a line extension at request of and at the expense of a limited number of subscribers must furnish service to other applicants regardless of whether they agree to share in the cost of the extension. The decision was given in a Trumbull county case involving the Pennsylvania Ohio Power and Light company.

NEW YORK—Miss Marie Averill Bland, Canadian, who nursed American soldiers in the war, has been denied citizenship because she refused to bear arms for the United States if need be. She said religious convictions forbade it.

THE HOME KITCHEN

By Jeannette Young Norton

she thought it was rather a peculiar shape for a cucumber, still there it was, green, a long oval, and she was such a young housekeeper that she was too proud to ask the vegetable dealer just what she was buying. Probably a mishapen cucumber—but all of those in the box looked alike, and they were firm and fresh looking so she decided to chance it.

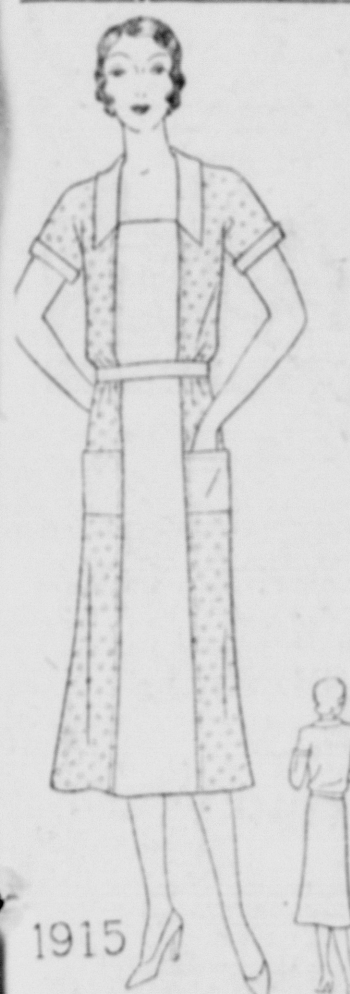

Of course, when she cut it open she found that it wasn't a cucumber at all. The inside was white, with no cucumber-like seeds, but tiny ones. And it was a bit spicier than cucumber. And one taste convinced her that it couldn't possibly be eaten raw!

Zucchini is one of the squash family, and is a quite recent entrant into our popular markets, although it has been common enough for years in foreign eating places. Many people prefer it to all the other squashes, partly because its flavor is bland and not so pronounced as the yellow squashes. Also, because it is easier to handle, and can be prepared quickly, and in many ways.

Usually it is sold by the pound because it comes in so many different sizes. Very small ones, perhaps only a few inches long have such a tender skin that it need not be removed at all. After a good washing in cold water, to remove any bits of garden dirt, the zucchini can be cut into slices thin or thick as preferred, then gently boiled or skinned in some other way. The skin imparts the pleasant nut-like flavor which one enjoys so much in a baked potato with its jacket on.

Zucchini can be prepared like any of the other squashes but the most popular method in the foreign restaurants is to cut the zucchini

dier linens will be very popular for summer. They are fine flexible and in various uncommon designs are being used for small and large hats.

PARIS, May 5.—Drapery being dignity to this season's evening dress, so carefully introduced that there is no suggestion of excessive material. The old rim look is still there, but in a new guise.

This means a "high style" rather than a popular vogue. Jean Patou shows it in a black chiffon gown with shirred bodice and fitted hips. The skirt is shaped and dips at the side and a long draped panel falls from the waistline at the back to form a train.

The new note of dignity in evening dress finds expression in a lovely black velvet with lupine sloping downwards into a long double train, while a bow and a long end give a graceful line in front. The fabric is so draped that there is no angularity in the slim effect.

A slight drapery on the bodice of a Maiguy Rouff gown is held at the waistline by large flowers made of the same emerald green tulle as the frock itself and the skirt, mounted at low hipline, spreads gracefully to a voluminous and even hem. The draped bodice is a new tendency and the extremely ample hemline is a feature of some of the spring collections.

HOME-MAKING HELPS

By Wanda Barton

If he's busy about the spruce appearance of his ties, then a simple new invention may keep him happy. That is if he boasts no more than 42 ties.

This new contraption is a bit of cloth that takes up no more than a 12-inch strip of wall space for fastening. There are seven rows, each containing seven separate buttons, and a tie goes by itself into each one. They hang separately in rows, and as the whole framework can be swung back and forth, all ties are visible simultaneously. No fumbling half a dozen or more to reach the particular one wanted, or do the ties get tangled up and cross each other. They hang separately, kept apart by the small bit of wood framework.

Another saver of shelf room is the swinging wire hattrack for her millinery. It's a round wire framework in which a hat rests, and it is swung by a wire arm from the edge of a shelf. If shelf room is limited, these swinging hattracks are a great help in providing a framework that keeps the hat in good shape, without crowding and without crowding.

However, if there is enough space on the shelf another kind of hat holder has some superior points in the way of preserving the hat in its original smart lines. Several of these on a shelf require ample space so that they do not crowd each other—but they do prevent bumps, creases, or other undesirable changes of line in the hat.

tents inside the barbed wire enclosure, machine guns were mounted in the prison ward to prevent any break for liberty.

The gun which was accidentally discharged was mounted on the ground in front of the chapel building, the colonel said. As guards were being changed, the weapon went off in some unexplained manner, and two shots passed through the barred dormitory window, carrying death to two and injury to a third. Members of Company D, Marine, Ohio national guard, were in charge of the gun at the time, Col. Haworth said.

Will Investigate Case

The colonel designated Captain James Collier, Irpsent, to make an official investigation of the shooting. He said that the guard regretted the shooting very much, but that such accidents "cannot be helped." He pointed out that dur-

ing the World war in France many machine guns, all delicate in operation, were discharged accidentally. The guns in the prison yard were loaded and ready to fire at all times, because those in charge realized that the unruly convicts might make a break for liberty at any minute.

The 88 tents destroyed by fire, and erected to house the mutineers after they had damaged their cell locks, will not be replaced, Col. Haworth said today. The convicts, housed in the stockade, will be forced to sleep in the creak for the time being, he said.

Two hundred prisoners, who have refused to work since the fatal fire, are now confined in the white city cell house, in solitary confinement, on a bread and water diet.

No Information Comes

With national guard officers in charge of the situation within the prison, newspaper men found it impossible to get any official in-

formation about the shooting. The officers in charge headed by Colonel Robert S. Haworth, were inside the walls and could not be reached.

Newspaper photographers were refused admission to the prison yard.

A prison guard who was on duty at the gate, said the two men who were shot were asleep in the E and F dormitory, which adjoins the C and H cell blocks where 730 convicts, locked in their cells, were killed in the Easter Monday night fire. He said the machine gun bul-

let went through the dormitory window and killed the convicts as they slept. One of the victims, Freeman, was unbalanced mentally, and was to have been sent to the Lima state hospital for the insane within a day or two.

COURT NEWS

Alias Sale Order
An alias order of sale has been directed to issue in the foreclosure action filed by the Firestone bank of Lisbon against Ira A. Wallace and others.

In the foreclosure action filed by the Peoples Savings & Loan Co. against H. H. Hickling, judgment for \$3,478.67 and costs has been entered in favor of the plaintiff, and in favor of the defendant for \$995.92 against Eliza Whinnery. Liens have been determined by the court and also marshalled, a decree of foreclosure entered and an order of sale written in the record.

Wife Asks Divorce
Mabel E. Whitehead, through her counsel Cochran & Crawford of East Liverpool has filed an action in divorce in common pleas court against her husband, Ray Whitehead, formerly of West Point, but whose present whereabouts are unknown. Whitehead is charged with gross neglect of duty, in failing to provide for his wife since they were married at Lisbon Oct. 12, 1922. Upon final hearing, the plaintiff asks for a decree and restoration to her maiden name, Mabel E. Clager, whose parents reside in Lisbon.

Woman Enters Plea
Edith Rodman, who was indicted by the April grand jury for removing mortgaged property out of the state, and who was returned to Columbiana county from Ann Arbor, Mich., recently, entered a plea of not guilty when arraigned before Judge W. F. Lones.

Frank Brown, who was jointly in-

dicted with the woman entered a plea of guilty to removing mortgaged property of the value less than \$35 when taken before the court last week, and was sentenced to serve 30 days in the county jail, and pay the costs of prosecution.

Not having means to obtain counsel, the court has appointed Attorney Walter W. Beck to defend the woman when her trial is assigned.

Foreclosure Is Asked
Foreclosure of a land contract is sought in a petition filed by Hugh Riddle and others against Lester B. Woolman of Struthers, O., and L. A. Callahan, who is said to have an interest in a mortgage. The petition, filed by Attorney L. B. Harris of Salem relates that the defendants agreed to purchase lot 37, Waterworth's addition, Salem, for \$9,000 with \$300 down payment on a

land contract, and a later payment of \$760, after which payments were to be \$40 monthly, in addition to interest and taxes. The plaintiffs have set up that the defendant has neglected and refused to pay installments, interest and taxes.

Red And Black Wins Big Ten Track And Field Championship

Stonemen Overwhelm Seven Opponents In First Annual Contest

SCORING consistently in 13 out of 15 events, Salem High today stands crowned as title-holder of the Big Ten Interscholastic track and field championship of north-eastern Ohio, having proved its superiority over seven invading aggregations by a decisive margin under the several-hundred thousand candle power floodlight system of Reilly stadium Wednesday night.

It was the first track and field event of the new organization, Salem's tracksters taking championship honors by scoring 75½ points to its nearest competitor's total of 36, Massillon High, the "dark horse" entry of the competition, finished in the runner-up position, one-half point ahead of Warren's delegation which placed third.

Proteges of Coach Floyd Stone won first honors in only four events, the mile, pole vault, low hurdles and high hurdles but amassed a total of 55½ points through six seconds, none thirds, a tie for third and one fourth and fifth place. Here's how the eight competing teams finished:

Team Standings:
Salem 75½; Massillon 36; Warren 35½; Ravenna 26; Wooster 22; Niles 18; Alliance 9; New Philadelphia 1.

As far as all available records of both intercollegiate and high school track and field meets indicate, it was the second event of its kind ever to be held after sundown. The

first night meet, the first annual invitational relays carnival, was held at the Salem field 11 days ago. Both meets were heralded by visiting officials and athletes as great successes indicating that night track meets will be a yearly incident in spring sporting seasons here from now on.

Weather conditions were almost ideal despite the fact that a threat of rain was issued by Jupiter Pluvius on several occasions late in the afternoon, holding the attendance down to an estimated 2,500. The

(Additional Sports On Page 10)

night finals started on the dot and were over close to 10 p. m.

Outstanding Features
Undoubtedly the outstanding features of the occasion were performances by one Salem runner and a Wooster High athlete, an embryo giant who bids fair to establish at least one new state scholastic record before he receives his diploma in June. In the first case is meant Harold Walker, peer of mile runners in northeastern Ohio and throughout Pennsylvania and West Virginia while Wooster crashed into the limelight through the powerful right arm of Conrad, man-mountain that carried off first honors in three weight-tossing contests.

Walker clipped approximately three seconds from his own school record in the mile race, finishing far ahead of the field in which was

included Dugan, star Niles distance-runner, and was clocked in near-state record time of 4 min. 37 sec. Conrad bettered powerful heaves by William "Bill" Smith, Salem discus star, nosed out another Salemite, John Terry in the shot put, and easily took first place in the javelin tossing battle.

Semifinal 880 Race

Added to these features was the thriller which approached the superlative in situations, the half-mile race between Ted Van Campen, already declared victor in the 440-yd man-killing race by a decisive stretch of yardage, led the field in the 880 until the final 50 yards when the youthful Red and Black star forced ahead from his position far behind the field, climbed to an even position in the finish spurt with the Trumbull county entrant, and was nosed out by fractions for the first medal.

The Stonemen vindicated fandom as expert dopsters on this occasion, having been selected as heavy favorites to win the meet but the decisiveness of victory was far from anticipated. In only two events, the javelin and 440, did Coach Stone fail to place a contestant. In the latter a place would undoubtedly have been won but for disqualification of his best quarter-miler, Horstman, for violation of race rules.

M. Whinnery Third In 100

Myron Whinnery of Salem was the victim of upsets in predictions when he failed to take first laurels in the 100 and 220-yd dashes. The century, first race on the books, was taken by Hines of Warren. Whinnery being forced to display sensational finishing powers to finish third ahead of Trice of Warren and Match of Niles and a few inches back of Allen of Ravenna. The latter clipped up the turf in front of Whinnery in the eighth-mile event too, taking first from the

Indians, Senators Lose Tilts, But Remain In First Place

Jonathan Thompson Zachary of the New York Yankees is not the oldest pitcher in the American league, in spite of his nickname, "Old Tom." Nor is he by any means the youngest. Tom became 33 years old yesterday and he celebrated his birthday in harness showing the youngsters a few things.

Last year Zachary led the American league pitchers by winning 12 games without a defeat. He also had the best earned run rating, giving but 33 to 120 innings, up to yesterday, Tom had not done so well during the chilly spring days but with the advent of summer weather he scored his first victory, beating the Cleveland Indians, 8 to 7.

Babe Poles Out Homer

Zachary received some aid from Babe Ruth and Roy Sherid. Ruth contributed largely to the five run rally which decided the game by

hitting his fourth home run of the season with two on base. Sherid came to Zachary's rescue when he weakened in the late innings.

Except in three national league games yesterday, the pitchers had the better of the major league batters. Bennie Frey of Cincinnati and George Earnshaw of the Philadelphia Athletics turned in the best performances, each allowing only three hits. Frey won his game but Earnshaw lost.

Two of the three hits off Earnshaw were made by the opposing pitcher, Walter Stewart of the St. Louis Browns. The third was a homer by Sammy Hale with one man on base which gave the Browns a 2 to 1 decision. Grey won his third straight game and his second 1 to 0 contest by stopping the Boston Braves. Against Ben Cantwell until the ninth inning when a pair of doubles brought the

game's only run. **Senators Use Three**
Earl Whitehill of Detroit had the better of three Washington pitchers, holding the Senators to six hits for a 3 to 1 triumph. Horace Lauenbee allowed the Chicago White Sox a dozen hits but kept them harmlessly scattered while young Tom Oliver led the Boston Red Sox to a 6 to 4 victory. Oliver, got four blows in five times at bat.

The St. Louis Cardinals were in the front rank of the heavy hitters yesterday as they hammered five Philadelphia pitchers for a 16 to 11 victory. The game produced 35 hits.

Not far behind came the Pittsburgh Pirates and New York Giants, dividing 31 hits in Pittsburgh's 16 to 8 victory. The Giants

got 16 of the blows but Pittsburgh greeted the debut of Roy Parmelee as a starting pitcher with a six run burst and never were overtaken. The Chicago Cubs continued the assault on Brooklyn Pitching by hitting steadily and at the proper moments to gain a 9 to 5 victory after Brooklyn had opened the game with a home run drive that brought four tallies in the first inning.

NEW YORK—John Doeg and George Lott are great tennis players, but how they do love golf! At times they have to be paged on the links and asked to interrupt drives of 250 yards or so long enough to keep engagements on the courts.

Johnston's Surety Bond Paint

The most perfect paint yet devised for the exterior and interior beautification of surfaces in, around and about the home—and for other buildings used for public and industrial purposes.

It contains in correct balance ample amounts of both lead and zinc and a new pigment which is a combination of titanium dioxide and lithophone, being made by a new process whereby the titanium and the lithophone are combined in one pigment.

This new pigment possesses every requisite for the most economical and durable paint available.

Johnston's Surety Bond Paint bears on each label a definite assurance and guarantee as to uniformity and satisfactory service—in addition the complete formulae as to the pigment and thinners and the proportions thereof.

Johnston's Unreduced Thrift Paint

Beautiful and Protect your home with this most economical kind of paint. It is economical because of its paste form, as by adding one gallon of linseed oil to a gallon of thrift paint you obtain two gallons of paint ready to use, saving one dollar a gallon. This paint covers more surface than most paste paints and equals any ready mixed paints of other makes. It breaks up easily, when mixed, is adaptable to different surface conditions, is applied easily, comes ready tinted and in solid colors, and is unusually durable.

County Schools To Battle For Track Title At Lisbon Field

Salem High To Defend Title Against Strong Teams In Annual Meet

FACED with stiffest competition appearing against them in a period of four years, Salem High tracksters will defend their championship title and field laurels against a strong array of track talent from East Palestine, Leetonia, Columbiana and Lisbon in the annual Columbiana county competition at Lisbon fair grounds Saturday.

The Red and Black will be seeking its sixth straight county championship in track and field events and the continuation of its success in county sporting ventures, started several years ago in the 1924 county meet and continued since that time in all lines of sporting events.

Undoubtedly it will be the closest meet held in the county since East Palestine developed its state championship Class B team in 1926. Anything but a repetition of last year's result, when Salem rolled up more points than the combined total of its three nearest competitors, is expected.

Palestine Strong

East Palestine boasts its strongest aggregation of track talent in the Brown and White's history, athletes having already crashed into the limelight by setting up excellent marks in various events. Two county marks have been bettered by Palestine performers in meets held this season while in all-around strength the team looks equal to the lack of giving stiff opposition to the Salem delegation.

No great strength is apparent in East Liverpool's team where work is in progress of developing teams of caliber equal to that of other county teams in track and field. The Potters have little hopes of breaking into the topnotch rating this year, not having been involved in track and field activities last year, but hold high hopes of producing an unusually strong team in coming seasons.

Others Boast Talent

Columbiana, Wellsville, Lisbon and Leetonia each has at least one or two athletes that will bring into the point-scoring list giving the meet all the aspect of an unusually classy affair.

Here in Salem the Stonemen are regarded as strong favorites to annex another county championship regardless of the fact that Pale-

stine is stronger than usual. Salem has displayed strength in every meet thus far this year and it will be an unusual episode in Red and Black history for the occurrence of a setback in a county track event.

Salem fans are especially eager to see a continuance of Red and Black victories in that late 1930 season marks Coach Floyd Stone's first year as head of track coaching here. Stone developed county champions in both football and basketball during his two years as head coach in those sports.

Last Year's Result

Last season Salem amassed a record total of 69 points in the county meet held at Reilly stadium. Palestine was a poor second with only 27 while Lisbon finished third with 21. Columbiana pined out Leetonia for the fourth position, 16 to 13 points, and Wellsville rated sixth with only four points.

And last year, by the way, Palestine again was touted to give Salem a close race but fans there had little upon which to base their early season predictions with the result that the Red and Black registered what was probably its easiest track victory in a similar event in years.

This year the situation is entirely different, Palestine having taken that would bring a smile to many a coach's physiognomy. Russell VanPoulsen is available for the weights, "Tiny" Herbert and Steinhauser, are two other better than average weight-lifters. Smith and Wertz, by past performances have merited the rating of two of the best track athletes in the district.

No Favorite Possible

All of this doesn't mean that Salem won't be in it. Stone has no weak aggregation, his team's repeated victories against schools much larger than this city's institution have proved that much. But then Palestine too, is strong, so any way one figures, about the only means in which one can give one or the other school the edge is by tossing in a bit of city and school spirit as a basis in doping the favorite.

Together with being the closest meet in years, the largest crowd in county history will probably jam its way through the gates and over fences to get a view of the 14 events.

STONEMEN

(Continued from Page 9)

start and keeping it all the way. Hines in this race was a poor third.

VanCampen had no great difficulty in winning the 440-yd run while Norad and Houriet of Massillon, cut-distanced all contestants in the javelin. Foreign entries won all five places in these contests.

Dugan took the pole at the start of the mile. Walker getting a fairly poor getaway. For three laps the Niles had kept ahead of Walker until Walker stretched his record-smashing limbs for an unprecedented sprint. He beat Dugan, his old rival in the event, by 50 yards. His brother Clarence, once a promising miler, worked too hard for a leading place in the last when the lead meant nothing and was outclassed in the final sprint.

Brantingham Fourth

Brantingham, a third entry from the Stone stable, closed a big gap between himself and a place in the money and advanced to third medal laurels, beating Angerman of Massillon for fourth by five yards. Cady of Wooster, just ahead, took third.

Ed Beck looked like the lad to hand Blackburn of Lisbon his first defeat of the year in the county meet at Lisbon Saturday, crashing into the ether at 11 ft. 7 in. to defeat E. Black of Ravenna. Beck also placed second in the high jump, his victim in the vault being his victor in it.

Three Salem youths, William and Ray Smith and Paul Sartick placed in the discus. Best effort of each, however, was not good enough for the 119 ft. 10 in. by Conrad, they finishing second, third and fifth, respectively.

Thompson Wins Hurdles

Russell Thompson, son of Police Chief T. W. Thompson, bettered his best time in the 120-yd high hurdles to annex first place in 17.3 sec. He finished ahead of two Massillon stars, Boyd and Keister.

The fourth sport displayed by Harris in the 880 was one of the greatest incidents on a running track seen in Salem for years. In ninth position and apparently only trotting along without victorious aspirations, the freshmen suddenly developed a burst of speed that made other fast opponents appear slow. Irvin Beck, second, Salem contestant, followed him and took third place.

Henry Reese won the 220-yd low hurdles in a fast final race which was more of a duel between him and Getz of Massillon. The time was 27.8 sec. Jack Carpenter, Salem corner, was third, ahead of Knowlton of Massillon and Duytschaever of Alliance. Reese was second in the broad jump, won by Match of Niles. His colleague in the jumps, Lease, was third.

Warren's crack 880-relay quartet won that race with Massillon ahead in the mile relay. Salem finished third in both.

Summary of Events

100-yd dash—Hines (Warren) won, time 10.2 sec.; Allen (Ravenna) second; Whinnery (Salem) third; Trice (Warren) fourth; Match (Niles) fifth.

Mile run—H. Walker (Salem) won, time 4 min. 37.6 sec.; Dy-

Punch That May Bring Victory

That mighty fist which Max Schmeling proudly shows his manager, Joe Jacobs, may win the German fighter the title of world's heavyweight champion. Schmeling just arrived in New

York where he will meet Jack Sharkey at the Yankee Stadium, June 12, in a benefit fund bout. The bout is expected to attract fight fans from all over the country as well as provide a record gate.

Defu Hurlled Here By Salem Barber

A city-wide challenge to Salem tonorial artists for the barber shop running title was being sent out today by Eddie Trester, head barber.

Trester's challenge is the result of a decisive victory won Wednesday morning on the sidewalks of East State at over Earl Culler, a fellow-barber in Leonard Crouley's shop here.

The race was run from the barber shop to the Lease Drug store, corner East State and South Lincoln, with Joe Reese timer and Gene White timer. Trester was declared victor by 25 yards.

The race was pending for the past year, Culler having frequently been challenged by Trester.

ALLIANCE May 8.—A ten-inning pitchers' battle was won here by Baxter of Wooster over Fox of Mount Union and the final score was Wooster 5, Mount Union 4.

TOLEDO, May 8.—Elmer Schlemmer, 21, former Toledo university football star, was crushed to death when a crane struck a large vat in which he was working in the Ford Plate Glass company plant at Rossford.

What The Stars Did Yesterday

CHICK HAFLEY, Cardinals—Hit home run and triple in fifth inning, driving in five runs as Cards defeated Phillies 16 to 11.

FRANK O'DOUL, Phillies—Took first place in National league batting with five hits in five times at plate, including three doubles.

DEL BISSONETTE, Robins—Hit

two home runs but Robins were defeated by Cubs 9 to 5.

BABE RUTH, Yankees—Fourth home run of year helped Yankees defeat Indians 8 to 7.

SAMMY HALE, Robins—Home run with man on base defeated Athletics 2 to 1.

GEORGE EARNSHAW, Athletics—Held Browns to three hits but lost.

BENNIE FREY, Reds—Won third

straight game of holding Braves to three singles.

CINCINNATI, May 8.—The University of Cincinnati Bearcats defeated the Miami university baseball team here yesterday 9 to 1 in a Buckeye conference game.

Buick Owners prefer Sohio 5 to 1 over any other gasoline!

"WHAT gasoline do you use?" That one question was put to nearly 7,000 owners of Buick automobiles (all models) in Ohio, recently. The answers were a revelation! A total of 1677 said they used Sohio Ethyl regularly. The nearest competing gasoline received only 331 votes.

This survey, covering 93,694 Ohio Motorists, was conducted by the R. L. Polk Company, an organization having no connection with any gasoline producer or distributor. Here's the score:

Gasoline Survey—Buick Owners in Ohio

Number of Buick Owners Interviewed—6,870 (all models)

Where Interviewed—Cleveland, Columbus, Cincinnati, Dayton, Akron, Canton, Youngstown, Lima, Toledo, Portsmouth, Zanesville

GASOLINE USED	NO. PREFERRED	PERCENT OF PREFERENCES	RATE OF PREFERENCE FOR SOHIO
SOHIO	1,677	33.76	
2nd Best	331	6.66	5.06 to 1
3rd Best	310	6.24	5.40 to 1
4th Best	271	5.46	6.18 to 1
5th Best—Red Crown	242	4.87	6.92 to 1
6th Best	228	4.59	7.35 to 1
94 Other Brands	Each less than 4.50%	of total designated	

The above figures are taken from original records of a survey of Ohio motorists made by R. L. Polk & Company, which have been audited by me, and are certified as authentic.

What's the Secret of Sohio's Popularity?

Such overwhelming preference can mean only one thing: Sohio Ethyl must possess qualities which help that good Buick motor perform even better.

It does! Even without Ethyl, Sohio would be an outstanding motor fuel. With Ethyl it becomes the perfect anti-knock fuel for which modern motors are specifically designed.

Try it in your car. You'll get that thrill of super-performance which is leading over 10,000 more Ohio motorists to become steady Sohio users every month.

Fill up where you see the Red-White-and-Blue Sohio sign.

LEGAL NOTICE

Sealed proposals will be received at the office of the Auditor of the City of Salem, State of Ohio, until 12 o'clock noon, Friday, May 23rd, 1936, for the purchase of bonds of the said City in the aggregate sum of \$21,432.17, dated as of the 1st day of June, 1936. Said bonds will be in the denomination of \$1000.00 except Bond No. One, which shall be in the denomination of \$1182.17, and Bonds No. 16 and 25, which shall be in the denominations of \$1182.17 each, and will draw interest at the rate of five percent (5%) per annum, payable semi-annually, on the 1st day of April and October of each year upon the presentation and surrender of the interest coupons to be attached to said bonds.

Said bonds will be due and payable as follows:

Two bonds in their numerical order on October 1st, 1937, aggregating in amount, \$2182.17; two bonds in their numerical order on October 1st, in each of the years from 1932 to 1936, both inclusive, aggregating in amount \$2969.00, except those maturing in the years 1935 and 1936, which will aggregate \$2560.00 in amount, which maturities are hereby determined to be in substantially equal annual installments.

Bids will also be received in open competitive bidding at public auction for said bonds at the office of the Auditor of the City of Salem, starting at 12 o'clock noon, Friday, May 23rd, 1936.

Said bonds are issued for the purpose of raising money in anticipation of the collection of special assessments for the improvement of Fifth Street from Elmworth Avenue to West School Street and from Elmworth Avenue to Hawley Avenue by paying the same and for the improvement of Sugar Tree Garfield Avenue by paying the same, under authority of the laws of Ohio and of the Uniform Bond Act and in accordance with the ordinance of said city, being Ordinance No. 3962, passed on the 4th day of February, 1935.

Said bonds will be sold to the highest and best bidder, whether by sealed proposal or at auction, for not less than par and accrued interest. Anyone desiring to do so, may present a bid or bids for such bonds, based upon their bearing a different rate of interest than specified in this advertisement, provided, however, that where a fractional interest rate is bid, such fraction shall be one-quarter of one percent or multiples thereof.

The transcript for this issue has been approved by Messrs. Squire, Sanders & Dempsey, Counselors at Law, Cleveland, Ohio, and their unqualified approving opinion will be furnished to the successful bidder, if desired, without charge. Other- wise all bids must be unconditional.

All bids must state the number of bonds bid for and the gross amount of bid and accrued interest to date of delivery. All bids to be accompanied with a certified check, payable to the Treasurer of the City of Salem for five percent of the amount of bonds bid for, upon condition that if the bid is accepted, the bidder will receive and pay for such bonds as may be issued as above set forth, within ten days from the time of award, said check to be retained by the City as liquidated damages if said condition is not fulfilled.

The City of Salem reserves the right to reject any and all bids. Bids should be sealed and endorsed, "Final Judgment Bonds," HELEN R. WOERTHER, City Auditor.

MOVIES

"ONLY THE BRAVE"

At The State
Gary Cooper here stars in an other exciting and romantic role which is similar in appeal to his part in the Owen Wister classic, "The Virginian."

His leading woman is Mary Brian, the winsome Texas girl who made her film debut on the silent screen in "Peter Pan" and who appeared in a number of productions with increasing distinctive success until the era of audible pictures brought her new fame.
Only the Brave is an adventure tale of the old South in the days of the Civil War. Gary Cooper is a captain of cavalry on the Union side. Mary Brian is the charming daughter of a Virginia planter, who falls in love with the Northerner when he visits her home in the course of a dangerous mission as a spy.

In addition to the central love-theme of the production there are numerous glamorous features—the charming costumes of crinoline days, the soft speech of Southern beauties, the thrill of hand-to-hand warfare and military backgrounds.
The supporting cast includes: Phillips Holmes, Morgan Farley, Virginia Bruce, Guy Oliver, James Neal, Freeman S. Wood and E. H. Calvert.

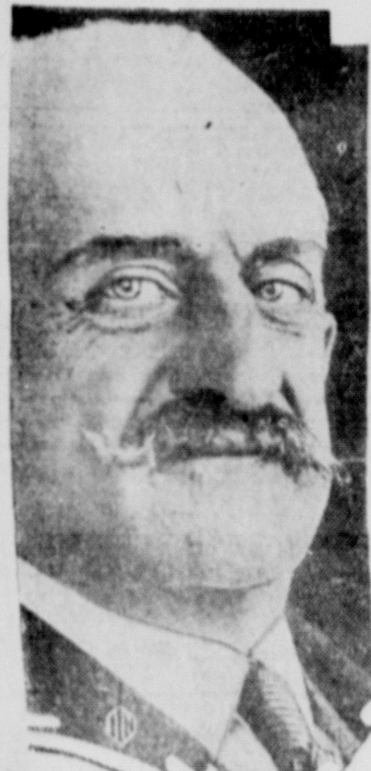

"THEIR OWN DESIRE"

Grand Theater
Norma Shearer in a penetrating study of present-day social standards called "Their Own Desire" is the particularly effective screen fare offered at the Grand theater for three days.

Miss Shearer's new all-talking vehicle was adapted from the novel by Sarita Fuller which tells the story of a girl whose happiness came dangerously near frustration through the machinations of a father who had grown tired of his wife, and sought diversion in other quarters.

While "Their Own Desire" is not exactly a phase of the "sins of the fathers" idea, it gives a clear-cut picture of the effect of parental incompatibility on children, which in itself is something rather novel for screen use.

Spanish Statesman May End Dictatorship

The former Liberal Prime Minister of Spain, Count Romanones, who recently visited the Royal Palace after an interval of six years. It is believed that the Count is planning a form a monarchical bloc from all parties, which would in turn mean the end of a dictatorship in the country.
